Subject: Request for Allowable Ex Parte Briefing Date on Behalf of Charter Communications

Good morning, Jocelyn,

On behalf of Charter Communications, Inc. ("Charter"), we hereby request an available date on the Commission's calendar for a proposed allowable ex parte communication briefing. We would respectfully request that the Clerk's office determine if Friday, March 4, 2022, from 10 a.m. to 11:15 a.m. is available to conduct such a briefing. The proposed date works for the representatives of Charter that will be participating in the briefing, and we have coordinated that date with ORS, and ORS has indicated that it will be able to have a representative available to attend a briefing held on Friday, March 4, 2022, from 10 a.m. to 11:15 a.m. Of course, we have flexibility as to the time for commencing the briefing, should a different time on March 4 be more convenient to the Commission.

Please advise at your earliest opportunity if March 4 will work for the proposed briefing so that I may promptly and timely provide the required Notice of Request for Allowable Ex Parte Communication Briefing assuming the date of March 4 is available. If March 4 is not available on the Commission's calendar, please provide us with alternative dates that are available. Please do not hesitate to call me on my mobile at (803) 730-3550 if it would be more efficient to coordinate this scheduling via oral communications. Thank you in advance for your consideration of this request. With warmest regards,

Mitch
